About Management of Medical Clinic

Basic medical facilities will be set up at your Premises and Manned by the trained Nurses. Every month reports will be given on the number of children and Staff who have visited the clinic.

Benefit of Ayaksha Wellness Centre at Your School:

- We will provide Nurse in School Premises
- We will put all the necessary equipment's. (Fowler Bed , Examination Couch, Wheel Chair , Portable Stretcher , Oxygen Cylinder , Nebulizer and etc)
- We will provide backup nurse, if nurse is absent.

About Detailed **Medical Check-up** of Students

Complete medical check-up of each of your students. We will give them their health record book with individual entries of their health status based on medical examination on 5 parameters conducted by our team of expert doctors in your school. (Only Female Doctors)

We provide **medical check-up** of Students in 5 Categories:

- General Growth Profile and Health Assessment - Pediatrician (M.B.B.S., D.C.H.)
- Vision testing, General Eye Health - Ophthalmologist (M.B.B.S., D.N.B.)
- Dental Assessment - Dentist (M.D.S., B.D.S.)
- Comprehensive Assessment of Ear, Nose & Throat - ENT (M.B.B.S., D.O.R.L., C.P.S.)
- Skin, Hair & Nail Assessment - Dermatologist (M.B.B.S., D.D.V.)

Importance of **Medical Checkup**

- Access normal development of the child.
- Keep track of immunization schedule.
- Early detection of diseases/abnormalities, which can be treated on time and helps the child to live a normal life.
- Improve student performance
- Receive timely health instruction for each student
- Help Parents to treat their children's health with urgency and also help teachers to monitor their health.

Ayaksha Healthcare Pvt Ltd takes great pleasure in serving society and keeps evolving to serve our clients changing needs. Here are some of the feedbacks.

Nurses have a professional approach and attends towards all concerns diligently. We commend the attitude and demeanor of all your staff members.

- Ms. Aruna Shetty

Don Bosco International School

Its a privilege to be associated with Ayaksha as have been hearing about them and its services from many schools in the vicinity and wherever i go for ICSE meetings. I'm very happy with the promptness with which each matter is dealt and with the pre planning of any events whether its the clinic setup, organizing health campus, organizing events or appointments of the nurses. The overall experience with Ayaksha has been good till date. Please keep up the good work.

- Mrs. Tessy S.

St. John's High School

A big appreciation for the efficient services provided by Ayaksha team during the health check-up in our school. Very happy with the commitment and dedication of your team towards the well being of our students. We look forward for continuing association as always.

- Sarabjit Mukherjee

CAO

Pawar Public School, Chandivali

The Most Common thing is Panic. Having a Professional on Campus Will Help us to do what is needful for the Child Without wasting time.
